

READY FOR TAKEOFF

AEROSPACE CLUSTER IMPLEMENTATION PROJECT

Working collaboratively with the City of Oshkosh and other partners, Greater Oshkosh Economic Development Corporation will lead the efforts to achieve the following objectives as part of the Aerospace Cluster Implementation Project:

INITIATIVE 41

A NEWWay of Thinking

Develop MRO and Additive Manufacturing Clusters

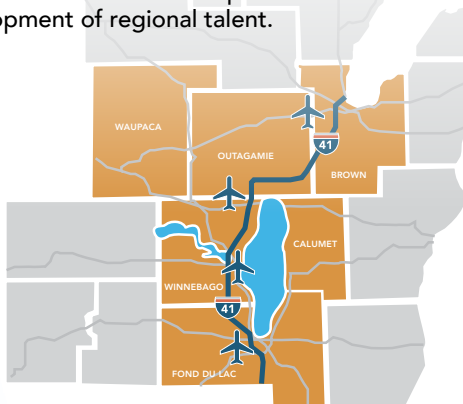

Greater Oshkosh EDC will initiate program enhancements to increase capacity for regional networking among airports, increase awareness, and engage business development efforts.

Aviation and Aerospace Talent Recruitment

The "Talent Takeoff" Recruitment Initiative will aim to increase awareness of aviation careers and opportunities, and foster workforce development initiatives in aerospace and general aviation. Greater Oshkosh EDC will work with local universities, as well as foster 'young talent' initiatives throughout regional K-12 schools.

Aviation/Aerospace Development Best Practices Seminar Series

The Aviation/Aerospace Development Best Practices Series seeks to partner with regional Chambers of Commerce and economic development organizations to hold events designed to assist employers in the aviation/aerospace industry to share and learn about best practices in the recruitment and development of regional talent.

READY FOR TAKEOFF

AEROSPACE CLUSTER IMPLEMENTATION PROJECT

AEROSPACE CLUSTER OVERVIEW

The Aerospace Cluster Implementation Project targets the expansion of existing manufacturers as well as the development and location of new aerospace related companies to the region.
