The Greater Oshkosh Economic Development Corporation Locates Office to Downtown Oshkosh

OSHKOSH, WIS. (July 12, 2018) – The Greater Oshkosh Economic Development Corporation is excited to announce its move to downtown Oshkosh. Greater Oshkosh EDC is now located at 100 N Main St, Suite 104, Oshkosh, WI 54901. The organization made the transition in early July.

Greater Oshkosh EDC was formed in 2015 and the new office embodies the organization's transformation from a startup to where it is today. With approximately 2,500 sq ft of space, the new office is in the heart of the central city and positions the organization to better serve the entire community. The downtown location offers great visibility, easy access, and a strong connectedness to the community.

“We are excited to have a strategic central city location. A healthy downtown is essential for a strong community and region, and we wanted to be a part of the efforts already underway,” said Jason White, President and CEO of the Greater Oshkosh Economic Development Corporation.

An open house event will be scheduled in the coming weeks and the community is welcome to attend to learn more about the organization and how to get involved. More information will be available at a later date.

Greater Oshkosh EDC was established in 2015 and exists to preserve the health of existing companies, foster a positive entrepreneurial environment, connect companies to workforce and talent development resources, enhance the business climate and promote the quality of life in the greater Oshkosh area.
