Greater Oshkosh EDC Announces Two New Board Members

OSHKOSH, WIS. (September 13, 2018) – The Greater Oshkosh Economic Development Corporation is pleased to announce the addition of two new members to its Board of Directors. Joining the Board are Vickie Cartwright, Oshkosh Area School District, and Darren Lett, CR Meyer. These two individuals bring diverse experiences and dedicated leadership that will benefit the organization and the community.

Vickie Cartwright joins the Board of Directors as Superintendent for the Oshkosh Area School District where she took office in July 2018. Cartwright has over twenty-two years of experience in public education. Before coming to Oshkosh, Cartwright served as the Associate Superintendent for Exceptional Student Education at Orange County Public Schools (OCPS), the ninth largest district in the nation. Additional leadership experience includes previously directing the Accountability, Research, and Assessment Department in OCPS, as well as currently serving as the Vice-President of the American Educational Research Association for the Division of Research, Evaluation, and Assessment in Schools.

“I am very excited to be able to serve and support the Greater Oshkosh Economic Development Corporation as together, we carry out the mission and vision of the organization,” said Cartwright. “The partnership that continues to be developed between the Oshkosh Area School District and Greater Oshkosh EDC is critically important for not only the students of the school district but also for employees, parents, businesses, and the community as a whole. I am appreciative of this opportunity and collaboration.”

Darren Lett joins the Board as President of CR Meyer where he has held his position since 2011. Lett began working at CR Meyer as a general laborer during his college summer breaks. After graduation, Lett joined the company as a Project Engineer. His successful career continued as he moved into project management, followed by a promotion to General Manager of the Kalamazoo, Michigan office. Lett returned to Oshkosh to oversee numerous operations in the area and was later appointed as President of CR Meyer.

“I am honored to join an organization that invests in the future of our community,” said Lett. “A community supporter for years, I’m excited to partner and collaborate on the economic growth and quality of life of the greater Oshkosh area.”

Greater Oshkosh EDC was established in 2015 and exists to preserve the health of existing companies, foster a positive entrepreneurial environment, connect companies to workforce and talent development resources, enhance the business climate and promote the quality of life in the greater Oshkosh area.
