## For Immediate Release

### New Owners take the helm at Corrim Company

Oshkosh, WI, Feb. 13, 2019 – Two long-term members Corrim Company LLC’s executive team have acquired the company from the former owner. New owners, **Mark Miller** and **John Morelli** will serve as **President**, and **Vice President** respectively for the 34-year-old company. Established in 1985, in Conroe Texas, Corrim Company is the premier manufacturer of corrosion-immune fiberglass reinforced polymer doors, frames, fixed windows, fixed wall louvers and door accessories. The company moved to Oshkosh in 1990 when it was acquired by the Marmon Group, and subsequently purchased by Robert Gluth in 1995.

Miller with Corrim Company for 22 years, started as the Engineering Manager and was promoted to General Manager in 2018. Morelli joined the Corrim Company six years ago as the National Sales Manager. They acquired the company from Gluth, effective December 28, 2018, as he prepared for retirement after serving as owner and president for 23 years.

In his role as President, Miller will oversee day to day operations and the strategic direction of the company. Morelli will continue directing and leading all sales efforts, providing support and training to distributors throughout the country. Corrim works with a commercial hardware distribution

network throughout the United States, Canada, Guam, Mariana Islands and the Caribbean Islands.

The company located at 1870 Stillman Drive is also the first in Oshkosh whose products are manufactured with the assistance of wind and solar power. To learn more about Corrim Company and their products and services visit the website at [www.corrim.com](http://www.corrim.com) or call 920-231-2000.
